This is a fantastic trip for us and one which many of you have been waiting for!

The full adult price is \$1,450.00 per person (\$1,375 per person – cash/check discount) based on two people sharing an inside cabin including one night in our Vancouver hotel and transfers from the hotel to cruise terminal and cruise terminal to airport on our return. Upgrades to ocean view and balcony cabins are available. The price supplements are on the attached booking form.

3 and 4 share prices are available but are very, very limited and only available on application. This is due to limited cabin availability and constraints (inside and ocean view cabins are available but there are plenty of balcony cabins available– so hurry!)

The price does not include flights to Vancouver so you are free to make your own travel arrangements, but as stated above does include one night's accommodation at the same hotel where Sing Live UK are staying on the night before we depart. Our research shows there are no flights on the actual day of cruise departure that will guarantee getting you there on time – so we have built this 'insurance' into the price. It is simply not worth the risk of missing the cruise due to an airline delay – the ship will not wait!

We board the luxurious Holland America Zuiderdam for our amazing Glacier Bay Inside Passage Cruise, exploring the spectacular sights of the Inside Passage with a full day of scenic cruising in Glacier Bay National Park and visits to Juneau, Skagway and Ketchikan.

Our issued price will be subject to continued availability – inside and ocean view cabins are at a premium and available on request only but there are plenty of available balcony cabins at the time of releasing this pack. Please help us to help you by sending your booking forms and deposits right away.

All ship's taxes are included in the price. Gratuities are not included. They are \$11 per person per day and you must pay this on board as they cannot be pre-paid.

All portage at the hotel (based on one case per person) and driver gratuities are included.

You must take out your own personal accident, medical and holiday insurance for you and your family. We will require details of this on your emergency contact form, which we will be asking you to complete.

Also note that the price DOES NOT include any shore excursions on the cruise!

We will be sending further information to you if you sign up regarding cruise dining times, tour merchandise, special request forms, immigration forms, emergency contact/insurance forms, ID card etc.

We will be travelling in Sing Live red tour gear, so that the group can be identified by our 'meet and greet staff' at the hotel and port. This has proved extremely successful in the past. If you have travelled on an international trip before you can use your existing merchandise, if not we will require you to have at least one item, so that we can identify you.

It is a requirement of the Cruise Line and therefore a requirement of this trip that all passengers travelling who need special assistance – i.e. wheelchairs, mobility assistance etc. are accompanied by a named designated travelling companion who is solely responsible for assisting the passenger with any special assistance they may require throughout the entire trip, including all singing engagements. The travelling companion will be required to sign a document stating that they accept this responsibility in full. This applies to both singers and guests.

The concert will be performed in the magnificent main show lounge of the Zuiderdam. For the last few cruises we have changed the way we rehearsed for the concert and this proved successful, so once again we will be using "Sing Live at home." Every singer will need a rehearsal CD. The music and words will be supplied up front for practice before the first rehearsal! There will then be a reduced number of rehearsals in areas to be confirmed, dependent on the number of singers who apply from each area. Currently we have a company of 50 singers taking part from the UK – it will be an amazing concert. Exact rehearsal schedules will be finalized once we know how many singers there are in each area, and it may be that areas will be amalgamated, so be prepared to travel! It is impossible at this stage to be specific. There will also be rehearsals on board the Ship.

The price of the cruise does not include the rehearsal and performance fee which will be determined when we know how many singers we have from the USA.

We give below the prices for the package; please complete the attached booking form stating your requirements.

Please note **THERE CAN BE NO ALTERATIONS TO THESE TRAVEL ARRANGEMENTS.** This is a group booking and we cannot tailor make packages for individuals. Do not ask us to change your arrangements if you alter your plans at a later date and DO NOT ASK US for our group details so you can amend things yourself, WE WILL NOT DISCLOSE them. We have tried in the past to help people and now know from experience that it causes us many problems, which we simply do not have the resources to deal with. We are trying to cater for as many people as possible and the only way we can do this is to keep it simple.

It is also a condition – and always has been – that you cannot book your own cruise through your own contacts and sing in the concert. You MUST take our package and our cruise to be able to perform. Other passengers cannot do this – and neither can our singers – so please don't even ask as the answer will be no.

That is the strength of ordinary people doing extraordinary things in exciting places and the opportunities Sing Live can give you.

The prices quoted here are based on current prices available to us. There may be fuel price surcharges, or currency fluctuations which we have no control over, and such costs would be passed on to you.

Any alterations **you** make to your booking will incur a \$50 administration charge. Please therefore take extreme care when filling in your forms, and please check all correspondence which we send to you. For example if you miss out your middle name or that of one of your party, it's not our fault!

Below are the due dates for all deposits, final payments etc. Please make sure you adhere to these, as **reminders will not be sent out**. If you miss the payment deadlines there will be a charge of \$50 per person payable.

IMPORTANT NOTE – Once you have paid your deposit your package will be booked. You will then become liable for the full cost of the trip – regardless of whether you travel or not. Take out insurance. If you need to cancel for any reason covered by your insurance you will be able to make a claim. If you cancel for any other reason – you will have to pay the full cost.

To book your place, please complete the following booking form – BOTH SIDES!

All cabins have ensuite bathrooms with showers, WC's, wash hand basins, wardrobes, email/internet dataports, mini-bars, safe, colour TV/DVD, satellite telephones, salon-quality hairdryers etc.
- We will only accept one booking form per cabin
- If you are sharing – liaise with whoever you are sharing with and decide on who will be the LEAD name – all correspondence will only be sent to that lead name and will be the key to your booking details on all our systems. We do not operate a system whereby we can find you someone to share with. From experience it is fraught with difficulties so we no longer do it. Sorry.
- Make sure you liaise with the members of your party for information you require from them in GOOD TIME, to meet the deadlines set. If they are on holiday or you cannot get hold of them and you miss the deadlines you all end up being penalised. Make sure you have contact numbers for them!!
